C ERTIFICATE

This is to certify that the Lab work entitled "MACHINE LEARNING" carried out by ROHAN SIWACH(1BM19CS132), who is bonafide student of B. M. S. College of Engineering. It is in partial fulfillment for the award of Bachelor of Engineering in Computer Science and Engineering of the Visvesvaraya Technological University, Belgaum during the year 2022. The Lab report has been approved as it satisfies the academic requirements in respect of aMachine Learning - (20CS6PCMAL) work prescribed for the said degree.
